

Zhaoyu Liu

EXPERIENCE

- 07/2017-08/2017** Internship in Tsinghua Center for Medical Imaging and Health. Searched for related articles and information; collected data; connected with Peking Union Medical College Hospital and showed them algorithms.
- 06/2016-12/2016** Volunteered in Professor Guozhong Cao's research group in Material Science Engineering Department of University of Washington. Project was Quantum Dot Sensitized Solar Cells.
- Article:** Huang, F; Hou, J.; **Liu Z.**; Zhang, L.; Tang H.; Wang, H.; Zhang, Q.; Liu, J.; Cao, G. Impacts of surface or interface chemistry of ZnSe passivation layer on the performance of CdS/CdSe quantum dot sensitized solar cells. **Nano Energy, 2017, 32, 433-440.**

SKILLS

Computer Programming: Currently studying R; beginner in Java and Octave.

EDUCATION BACKGROUND

- 09/2017-present:** Columbia University Mailman School of Public Health
Major: Biostatistics MS (graduate in 05/2019)
- 09/2013-06/2017:** University of Washington
Major: Chemistry (Math minor)

PERSONAL INFORMATION

- Gender:** Female
Date of Birth: 03/03/1995
Citizenship: China
Email: zl2638@cumc.columbia.edu
Tel: (206)9530240
Address: 100 Haven Ave, Tower II 18D Room 2, New York NY 10032
Permanent Address: 2-4-201 Longtengyuan II, Changping District, Beijing, China
